Care-Ness

**Kitchen towel, ABENA Care-Ness Excellent, 2 layers, 17.8m x 22.5cm, Ø11cm, white, 100% Cellulose**

- ✓ Very soft material
- ✓ 2-ply rolls ensure optimal absorbency
- ✓ High-quality kitchen towel

## Product Description

If you're looking for kitchen towel of the best quality, ABENA's Care-Ness Excellent range is a good option! The paper is made from 100% virgin fiber, which is a top performer in terms of absorbency, strength, and comfort. This provides you with maximum absorbency, the softest texture, and also a product that is economical to use. In other words, a good alternative if you want to reduce consumption out of consideration for the environment. The paper's embossing makes it even softer.

The EU Ecolabel, also known as the EU Flower, is the official environmental label in Europe. Products with the EU Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

The glass-fork-symbol guarantees that products live up to the demands stated in the European legislation for food contact materials. The symbol is not mandatory but advised on products used for food contact.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions, and public organizations. The purpose is to make it easier for the public sector to buy environmentally friendly products.
