

Item number 6040

care · Ness

Toilet paper, ABENA Care-Ness Excellent, 2 layers, 33.75m x 9.8cm, Ø10cm, white, 100% Cellulose

- ✓ 2-ply rolls ensure optimal absorbency
- ✓ Very soft material
- ✓ High-quality toilet paper

Product Description

If you're looking for toilet paper of the absolute best quality, try ABENA's Care-Ness Excellent range made from 100% cellulose, which is a top performer in terms of absorbency, strength, and comfort. This provides you with maximum absorbency, the softest texture, and also a product that is economical to use, thus offering a good alternative if you want to reduce consumption out of consideration for the environment. The embossing makes the paper even softer.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

The EU Ecolabel, also known as the EU Flower, is the official environmental label in Europe. Products with the EU Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions, and public organizations. The purpose is to make it easier for the public sector to buy environmentally friendly products.
