

Item number 1536

## Bio bag, BioBag, transparent green, mater-bi, 82x105cm, printed, 60-80 l, transparent

- ✓ Compostable
- ✓ 100% biodegradable
- ✓ Environmentally friendly
- ✓ Does not dissolve in water

### Product Description

The bio bag is 100% biodegradable and compostable and therefore ensures environmentally friendly waste management. Depending on the composting method and temperature, the bags will degrade within 10-45 days. The bio bag degrades only on contact with microorganisms in the natural environment, and not during normal storage in a kitchen, for example. The bio bag does not dissolve in water and there are no leakage problems when food waste is stored.

### Specifications

Base name	Bio bag
Brand	BioBag
Sub-color	Transparent green
Features	82x105cm, printed, 60-80 l, transparent
Material	Mater-bi
Length/depth	105 cm
Width	82 cm
