ABENA®

Hand Cream, ABENA, 500 ml, no colorant or perfume, 21% lipids

- ✓ Moisturizing
- ✓ Is absorbed quickly
- ✓ Nourishing ingredients
- ✓ The ideal personal care product for daily use

Product Description

ABENA's Hand Cream is a mild, nourishing cream that absorbs quickly into the skin. The hand cream has a high content of vegetable oils, which nourishes without feeling greasy. The glycerin content maintains the skin's moisture balance. The hand cream is suitable for all skin types and can be used daily. Our hand cream is available with 21% and 35% lipids respectively. Both variants are without perfume.

Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

Asthma Allergy Nordic is a proof of the product being recommended by the experts from Asthma-Allergy Nordic. Products with the label do not contain perfume, and they pose a minimal risk of skin allergy development.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions, and public organizations. The purpose is to make it easier for the public sector to buy environmentally friendly products.

Products with the Vegan Society certificate do not contain animal substances and are not tested on animals.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

The product does not contain perfume.

The product has been tested for ingredients which can potentially cause skin irritation on people with sensitive skin. Tests conducted by dermatologists on an independent third-party laboratory.
