Drawer boxes IDEALBOX PRO 7

The high-quality drawer boxes are suitable for use on tables, in cupboards and sideboards. Thanks to the 7 closed drawers, the boxes can be used flexibly in offices and at workplaces in production or in the warehouse.

- For storing written documents up to C4 format
- Attractive design thanks to the upper coloured drawer
- A pull-out stop for all drawers
- Can be labelled using digitally inscribable adhesive labels or alternatively by hand (8 adhesive labels are included)
- Recessed handle makes it easier to carry the drawer box
- The article bears the Blue Angel eco-label and is made of at least 80% post-consumer recycled material
- Quality in polystyrene (PS)

#7763

Our sustainability concept

The constant expansion of the DURABLE range to include Blue Angel certified products is an essential part of the sustainability concept and underlines the goal of responsible use of natural resources.
