- Hygienic alternative to fabric towels and hand dryers
- One-at-a-time sheet dispensing for improved hygiene and reduced consumption
- Maximum absorbency
- Indirect food contact approved
- Smart and practical packaging

## **Product Description**

ABENA's hand towel sheets are the hygienic alternative to fabric towels and hand dryers, as they help to prevent cross-contamination. The paper is made from 100% virgin fiber, which, combined with the smooth surface and unique embossing, provide maximum absorbency, thereby reducing consumption. The sheets are folded for intelligent one-at-a-time dispensing, which has the dual advantage of reducing consumption and improving hygiene. The product is indirect food contact approved.
