XPS TRAY PAL19A ABSORBENT BLACK

Product Dimensions

Product Length	230.00mm
Product Width	182.00mm
Product Height	40.00mm
Product Diameter	
Core Diameter	
Product Volume	

General info

Item Code	040.000270
Barcode EAN 13	5201411771199
Intrastat Code	3923100000
Traceability by	Batch/Lot
UOM	1000Pcs

Technical Info

Color	BLACK
Shape	RECTANGULAR
Material	PS FOAM
Nominal Weight	13.25g
Weight Tolerance	±10%
Nominal Foil Thickness	

Built in Absorber

Absorber Inlay	
Nominal Absorbency	100
Absorbency Tolerance	±30%
Sealing Layer	
Antiblock	
Min. Recycled Content	55,00 %

Packaging specifications

Packaging Type	PAC
Pcs per Pack	400
Sleeves per Pack	
Pcs per Sleeve	
Stacks per Sleeve	
Packs per Pallet	7
Pcs per Pallet	2800

Pack Length(cm)	116,00
Pack Width(cm)	73,00
Pack Height(cm)	23,00
Pack Volume(m3)	0,20
Pack Weight(kg)	5,30
Label Specifications	LABEL 10X15cm

Food Safety Status

Suitable for contact with foodstuffs in conformity with EU Regulations 1935/2004, 10/2011, 1895/2005, 2023/2006, 1245/2020, 1616/2022 and their amendments and Articles 26 & 27 of the Greek National law for food and drinks and their amendments.

System Certification

PAL has implemented a quality control system which is certified against ISO 9001:2015 and BRC Global Standards for Packaging and Packing Materials (Issue 6 (According to Regulation 1616/2022)): When applicable, the above-listed food contact products may be manufactured and placed on the market using recycled plastic that has been super-cleaned using a recycling process: A technical dossier and a valid application are submitted to EFSA <https://open.efsa.europa.eu/questions/EFSA-Q-2022-00454>) implementing the approved recycling technology of Art 3(3) and Annex I-Table 1(1) of Regulation (EU) 1616/2022, which is applied in our production. Said recycled products are produced by us and placed on the market normally in accordance with Article 31(1) of the same Regulation.

PET containers are recyclable in the recycling category number 1. (EU97/129) Polystyrene foam trays are recyclable in the recycling category number 6. (EU97/129) All products are stamped with a PAL logo unless otherwise specially agreed. This Product Specification is provided for customer use only and should NOT be distributed to any Third Party without the written consent and authorization of PAL Packaging. The above products should be kept at temperatures between 5-35oC. Avoid storage under direct sunlight exposure and maintain in original packaging. The storage area must be kept clean, dry and free of contaminants or sharp objects that can damage the packaging. PET shelf life 6 months from shipment. Polystyrene foam trays shelf life 12 months from receipt.
